Useful information

We will post you the Christian Radich handbook, about life onboard. We recommend you to read the booklet, but we do not expect you to know all the details! Further information will be given onboard regarding safety, meals and your watch team. Our permanent professional crew will instruct all teams.

- Bring along: sleeping bag, warm and weatherproof clothing, cap, gloves, shoes with rubber soles, towel and toiletries, suntan lotion, passport. Rubber boots may be useful.
- Choose clothes that may take stains. There is limited space for luggage onboard, please pack in a soft bag. You should not bring a backpack and umbrella onboard, according to old tales and superstition.
- Cellular phones have no coverage when in open sea. Should the occasion rise that contact with next of kin is necessary, the crew and the office in Oslo will help. We use 220 V power supply.
- Please tell the ships sergeant and your team leader if you use seasick medication or seasick bandage. When using seasick medication you will not be allowed to enter the rig within a certain time after use.
- When at sea, the ship is "dry", i.e. totally alcohol restricted.

There is a slop-chest onboard where you can buy snacks, chocolate and mineral water. There is a small souvenir shop where t-shirts, pullovers, postcards and toiletries etc. can be purchased.

Welcome onboard, we hope you will enjoy your voyage!
